## **2015 Town Newsletter Articles**

### **Proposed rail yard**

Earlier this year, Progressive Rail proposed the construction of a rail yard in the corridor from County Highway S to 105<sup>th</sup> Avenue. They requested closure of 95<sup>th</sup> Avenue, which was denied by the Comprehensive Planning Commission. Progressive Rail also proposed the construction of an overpass on 95<sup>th</sup> Avenue. Prior to any further discussion on leaving 95<sup>th</sup> Avenue as is, closing it, or allowing the construction of an overpass on 95<sup>th</sup> Avenue or County Highway S, the town and county agreed to have a Traffic Impact Analysis completed on both roads. The study was necessary to determine the impact of overpasses at either location with regard to cost, farmland loss, traffic patterns, safety and other issues. This analysis was scheduled to be completed in early September 2015. As of July 20, Progressive Rail has stopped all work on the Traffic Impact Analysis. At this time Progressive Rail has not made any public statements regarding the termination of the study, or what their intentions are for any further development.

### **Emergency vehicle access**

The Eagle Point Volunteer Fire Department and the Town Board remind town residents that property owners need to provide proper access for emergency vehicles (fire trucks, ambulances) in the event they need to come to your home or business. Proper access means a twelve-foot wide maintained roadway and vertical and horizontal clearance of fourteen feet that is clear of brush, trees and other obstacles.

## The snowplowing season – it's coming again soon ❄️

The town receives complaints from time to time that the town plow has scraped the lawn at the edge of the road. Property owners are reminded that these areas may be subjected to damage when snow needs to be pushed into the right-of-way to widen roads in preparation of the next snowfall. In addition, in situations where there is no ditch and the lawn in the town right-of-way is higher than the road surface, the lawns will likely be subjected to damage during the winter season. Another reminder – it is important for property owners to know that it is unlawful and dangerous to plow or push snow onto a town road or public highway.

## Improving Residential & Business Sites 🏠

Property owners are reminded that Section 70-128 of the County Zoning Ordinance prohibits the storage of inoperative motor vehicles and abandoned equipment including such household items as old appliances and furniture outside of a building structure for more than 30 days. The town receives complaints from time to time on “junky” yards and reminds property owners, including those with rental properties and businesses, to clean up your property if this applies to you. A well-kept property benefits your neighborhood and the town as a whole. And, thanks to the property owners who strive to keep their yards and businesses in tip-top shape.

## Dog Ordinance 🐕

The town's dog ordinance requires that all dogs be on a leash if off the owner's property. Also, continual barking by dogs to the point of causing a public nuisance is prohibited.

### New Business Opening

My name is Sheena Fransway and I recently purchased the Eagleton Residence. I have named it: Aggie's Country Living, after my grandmother who I have taken care of for years. The quality of care and the residents' dignity is on the top of my list to provide to them and keeping them as independent as possible. I will be providing care for the frail elderly and early on-set dementia. This is going to be 5-star living and I am in the process of doing some remodeling at the moment. I am very excited to be a part of such a great community and town. There will be an **Open House on Wednesday, September 2nd from 3-6 pm** and I invite all of you to come meet me, take a tour and have some snacks. Any questions please give me a call at 715-559-3625. I look forward to meeting all of you in the near future!

*Your Town Board welcomes any questions or concerns you may have. If you have any items you would like to see in the next newsletter please let us know. Check our website for meeting notices, information links, and events.*

☀️ Enjoy the rest of 2015! 🍁
