

Town of Eagle Point
Chippewa County
State of Wisconsin
RESOLUTION 2020-4

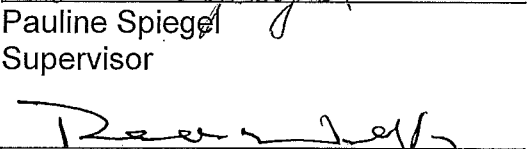

Whereas the Eagle Point Town Board, by majority vote on December 21, 2020, voted to pursue the installation of an air-conditioning system in the Eagle Point Town Hall through a fundraising effort, the town board hereby establishes an account to accommodate funds received for this purpose. The board voted to receive pledges up to \$20,000 and any balance needed to reach the estimated project cost of \$30,000 will be funded by the town through its annual budget.

Furthermore, when the town hall is rented, an additional \$25 will be collected for placement in the account. The air-conditioning fundraiser has a sunset date of September 15, 2022. If enough monies are not collected and the town board votes to abandon the project, the full balance of any monies collected from the \$25 per town hall rental will be allocated towards town hall maintenance.

Signed this 21st day of December 2020

Dennis Ferstenou
