RESOLUTION 2022-4

EXCHANGE OF PUBLIC ACCESS PARCELS
CORNELL LAKE

The Town Board of the Town of Eagle Point, Chippewa County, Wisconsin, by this resolution, adopted by a majority of the town board on a roll call vote with a quorum present and voting and proper notice having been given, resolves and declares as follows:

The existing public access, located on Cornell Lake and lying in the SW ¼ of the NE ¼ of T30M, R08W and the shown on the attached aerial map, will be exchanged with a similar size parcel to the west and lying within the same Land Section, also shown on the attached aerial map, under s. 66.1006, Wis. stats. The abandonment of the existing lake access and creation of a new access will not enhance nor deter public access to Cornell Lake as the town maintains a well-developed lake access/boat landing within 2,000 feet of the exchanged parcels. No owner of property abutting the discontinued lake access or new lake access will be damaged by this transaction. The exchange of lake access parcels will be completed between Doug Asher and the Town of Eagle Point.
